And What Have You

By BOB CRAIG

We have covered lots of ball-games over the past 15 to 20 years, including four state championships, but cannot remember a game giving us a bigger thrill than the one Friday night.

There are a number of reasons for this. First, Hamlin was long over due to beat Ballinger, and they did such a good thorough job of it. It is a rare sight to see every kid on the field giving his very best all night long.

The victory was especially sweet after reading in our neighboring daily that there was no chance for an upset and that Ballinger was going to win by a big lopsided score. We have to go along with him in that there was no chance for an upset, but he just had the wrong team picked to win. To have an upset you have to have a weak team beat a stronger team and the upset here was in the ratings.

The only way that you could list the outstanding boys in the game Friday night would be to just list the complete Hamlin roster as every boy that took the field did the job he was supposed to do and many times even more than this.

The film of the game showed where the line was making holes in the Ballinger line big enough for anyone to run through and we have never seen any better downfield blocking.

The Hamlin fans that made the long trip to Ballinger seemed to be as fired up as the boys from the very moment the team took the field and there is no question that this helped.

And the whole coaching staff deserve a lot of credit for this victory for we have never seen a team as well scouted as Ballinger was. We seemed to know everything that they would try and seemed to know just where their weaknesses were. It was evident that many man-hours of work went into getting ready for this one.

Of course, the mere fact that we had a boy playing in this game might have had something to do with the thrill we got out of this game.

There is no question but what the Pipers proved that they have the capabilities of going all the way, if they go into each remaining game with the spirit and attitude they had last week. But, by the same token, they can be beaten by any team left on the schedule if they spend too much time looking back at this victory or look too far ahead.

They must play every game one at a time and give their very best in each one.

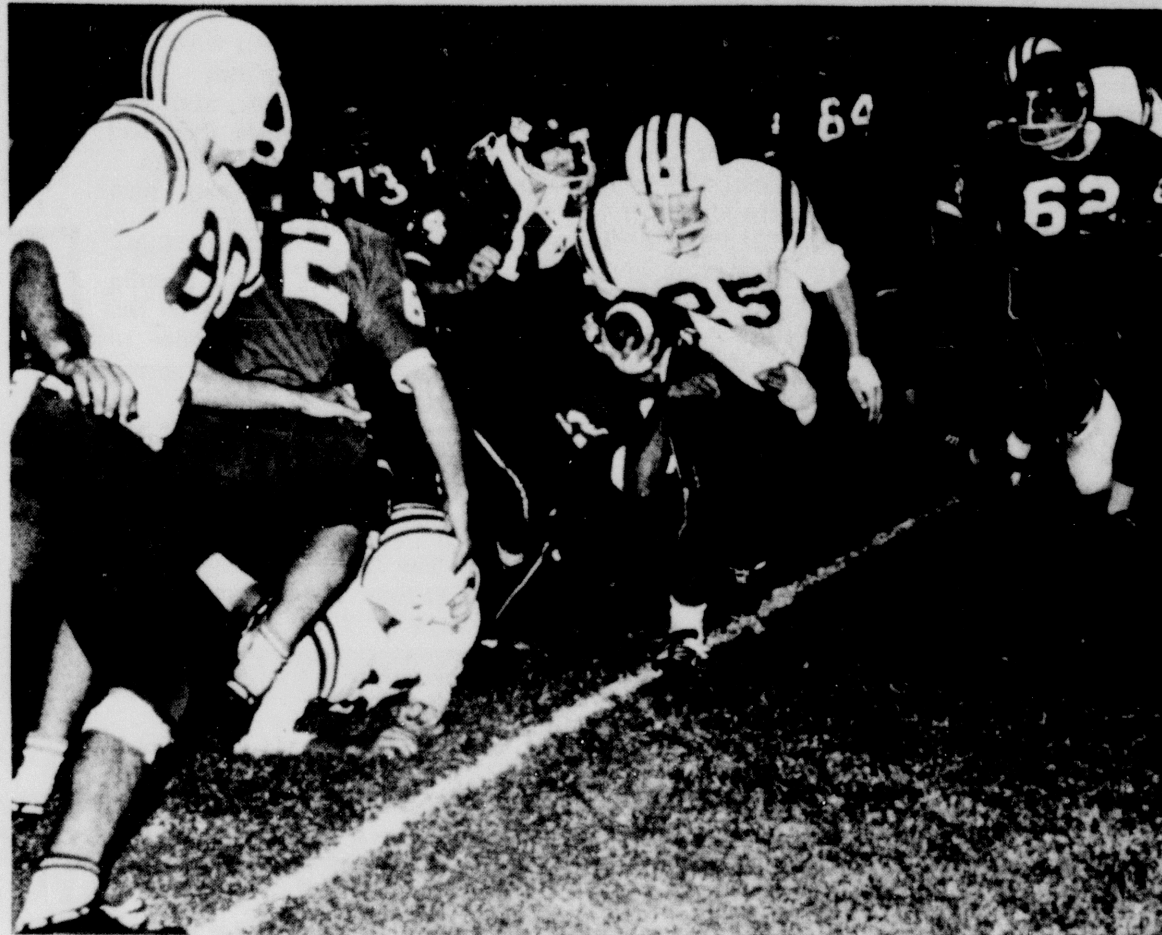

A Hamlin ex-student had a good night up at Lubbock Saturday night as Mississippi State fought off a last minute Tech surge to win, 30-26. Football Coach and Athletic Director for Miss. State is Charles Shira who played his high school football here and was a standout at Texas A & M. This is his third year at the Mississippi school. Prior to that he was Darrell Royal's assistant at Texas for 10 years.

Someone in Hamlin has paid their County taxes with a \$3.05 money order but the only problem is that no one knows who it is. The money order was purchased at the post office here and mailed to Anson.

But they failed to fill out the money order and also failed to put a return address on their envelope.

So, if you paid your taxes with a \$3.05 money order we suggest you get in touch with Louis Johnson, county tax assessor and collector, in Anson.

If no one identifies the money order before the second notices go out in February, the mystery will likely be cleared up then.

District 7-AA Drops Ballinger, Coleman, Winters; Adds Rotan

District 7-AA lost three member schools and added a new one in the re-alignment for the coming year announced this past week by the University Interscholastic League.

Moving to 8-AA were Ballinger, Coleman and Winters and moving up to AA next year will be Rotan.

The three teams moving out of 7-AA will be in the district with Cisco, Clyde, Comanche, Eastland, and Hamilton.

The newly formed district held a called meeting this past week and worked out the schedule for the five district games each team will play. C. F. Cook of Hamilton was re-elected chairman and B. V. Newberry was elected secretary.

The district schedule will start Oct. 16, with Anson at Stamford, Merkel at Rotan, and Hamlin at Haskell. The week of Oct. 23 will see Stamford at Merkel, Haskell at Anson, and Rotan at Hamlin. Oct. 30, Merkel at Haskell, Stamford at Rotan and Anson at Hamlin.

November games will be Nov. 6, Haskell at Rotan, Anson at Merkel, and Hamlin at Stamford, and the final week will see Stamford at

Haskell, Rotan at Anson, and Merkel at Hamlin.

Work is now being done by Coach Joe Youngblood to fill the five non-conference games for next year. At the present time there is one week left to fill. Hamlin has games lined up with Winters, Clyde, Coahoma, and Jacksboro.

Pipers-Bluecats To Tangle Here

The Pied Pipers will be seeking their fourth district win Friday night when they play host to the Coleman Bluecats in Piper Stadium. The kickoff will be at 8 p.m. The Pipers will be trying to follow their big win last week over Ballinger, 25-7, and Coleman

will be fresh from their 29-22 win over Anson.

Coleman will take a 4-2 record into the game while the Pipers have a 5-1 season record. Both Coleman losses were in district play while the Piper loss was to a non-conference foe. Hamlin and undefeated Haskell share the district lead with 3-0 records.

The Pipers are expected to be in top physical shape for Friday's game for the second week this season.

Coach Joe Youngblood told the crowd gathered for the Booster Club meeting Monday night that the fans need to be thinking about Coleman this week and not be looking ahead at the other games we have to play. He said that

Coleman beat us 10-0 last year without too much effort and that they have a team that can score on you very easily if you are not ready for them.

The Bluecats have two fast receivers and a big, hard running fullback. Their quarterback, Tommy White, is a good passer and they like to throw especially the long bomb to either of their fast receivers.

Probable starters in the offensive line will be Bob Snodgrass, 155, at split end, and Tony Cullins, 180, at tight end; Mike Moore, 160, and Jack Crockett, 175, at tackles; Monte Sides, 170, and Randy Morris, 185, at guards; and Jimmy Brown, 160, at center.

Running in the backfield with White will be Sal Andrade, 185, at fullback, Perry Armstrong, 180, at halfback, and Freddie Kendrick, 150, at flanker.

The other big game this week in district play pits Ballinger at Haskell in a contest that could decide whether Ballinger is out of the race or not. Other games have Winters at Merkel and Stamford at Anson.

Pipers Strike Early to 'Upset' Ballinger, 25-7

The Pied Pipers struck with lightning swiftness Friday night to maul the Ballinger Bearcats, 25-7. The Pipers used only 12 plays in four drives to rack up their 25 points, then relied on an iron-tight defense to stop every Ballinger scoring effort except their lone third quarter TD.

Following the opening kickoff, it only took the Pipers three plays to go 72 yards to paydirt with Quarterback Charlie Shira passing to Halfback Robert Bolden for the final 59 yards. The next Piper score came after a pass interception with Hamlin covering the needed 12 yards in three plays. Shira ran the bootleg for 10 yards to score.

For their third TD, the Pipers recovered a Bearcat fumble on the Ballinger 24 and took only two plays this time to score. Bolden swept his right end for 11 yards and the TD. This score came only 37 seconds after the previous tally.

Following the lone Bearcat

score, the Pipers went 60 yards in four plays with Tailback Spencer Ford carrying over his left guard the last 9 yards.

Ballinger's only threat in the first half came in the final seconds, when trailing by 19 points, the Bearcats moved to the Hamlin 15 as the half ended.

Midway in the third period the Bearcats put together their only real offensive show of the night as they drove 73 yards in nine plays to score. After this, the Hamlin 45-yard line was as far as they could penetrate.

Ballinger kicked off to Bolden to open the game and he brought the ball out to his 28. He carried for 6 yards and then Shira carried for 7 yards and a first down at the 41. With Bolden at split end, Shira hit him with a pass at the 25 and he beat the Bearcat defenders to the goal line for the score. Duane Stewart split the uprights for the point after.

linger ran the ball three plays and gained one yard before punting. The Pipers picked up two first downs before punting and then Ballinger punted back after gaining their first down.

Near the end of the first period the Pipers started a drive from their own 27 that carried to the Ballinger 23, where it stalled. Picking up big yardage in the drive were runs by Ford and Bolden and passes by Shira.

The next two times the Bearcats had the ball they lost it trying to pass as Shira picked off the first one and

Don Bockmon got the second one.

This second interception set up a Piper score when Bockmon returned it to the Ballinger 12. Bolden was dropped for a one-yard loss and then gained 3 to the 10. Shira faked into the line and then rolled out to his left and scored standing up as the Ballinger defenders took the fake into the line. After a Ballinger penalty, the Pipers tried a two-point try that failed.

Following the kickoff the Bearcats fumbled on their own 24 on first down. Shira carried for 13 yards to 11, then Bolden got the call and raced around his own right end for the score. Shira tried to pass for the point after but failed.

In the second half the Pipers stopped the Ballinger opening drive but then the Bearcats took over on their 27 and picked up first downs at the 37, 41, 22, and the 1. It took them two plays to make it in for the score from the 1. Scoring for Ballinger was Mark Travis. Robert Boothe kicked the point after to make the score 19-7.

Taking over at their 40 following the kickoff, Shira connected with End Gary Smith on a 30-yard pass play to the Ballinger 30. Bolden carried for 13 yards and then Ballinger drew a 9-yard penalty to the Bearcat nine from where Ford hit the left side of his line and fought his way over the goal. Bolden tried to run the two points but failed.

Later on, the Pipers were back down threatening to score as they drove to the Ballinger 14 before giving up the

JUNIOR HIGH TEAMS WIN TWO

Hamlin Junior High School teams took both games here with Rotan Tuesday night.

ball and then were back down again a few plays later only to lose a fumble on the one-foot line.

Ballinger managed to move the ball out across mid-field as the game ended.

Bolden carried 13 times for 76 yards, Ford, 15 times for 39 yards and Shira 10 times

for 46 yards.

The Piper punting game played an important role in the game again this week as Shira averaged 40 yards on three punts with very little runback and Bolden returned Ballinger punts for gains of 26 and 33 yards.

The Piper pass defense had an outstanding evening as they held Ballinger to only three completions and intercepted two.

LETTER TO THE EDITOR

Dear Editor:

Well since the Pipers won a big one Friday night guess everyone in town, who wasn't already there, will jump on their winning wagon. I don't have to jump I was already there. I'm in the process of trying to drink 20 cups of cof-

fee I won on that ballgame. Seems everyone in town wanted to bet dollars instead of coffee — I coulda won a tubful of money instead of coffee.

But when everyone jumps on this winning wagon of the Pipers, lets stay there, WIN, LOSE or TIE because those boys are working out everyday, playing every Friday night and they have to go on that field regardless of what the score was a week ago—

So lets all get ready for this Friday and go all the way with the boys and for the boys.

The Hamlin Pied Pipers pulled a real shocker on everyone except local supporters when they beat Ballinger in the third game of district play last Friday night. They backed down the Bearcats with a score of 25-7. The first touchdown came after the third play of the game when Charlie Shira threw a fifty-nine yard pass to Robert Bolden. Duane Stewart kicked the extra point.

Bolden and Shira both scored in the second quarter bringing the score to 19-0 at half-time. Spencer Ford scored for Hamlin in the third quarter bringing our total to 25.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(October 17, 1924)

The Parent-Teachers Association held a very enthusiastic session at the High School Auditorium, Tuesday afternoon at three-thirty o'clock. Reports from the officers and committees were heard. Plans for the dinner which is to be served in town Saturday, were made. The program consisted of a very interesting round table health talk.

The time of meeting will be each Second and Fourth Tuesday afternoon at three-thirty o'clock, at the High School Auditorium. Every mother is urged to be present. You are needed at these meetings.

Carpenters are in great demand these days in Hamlin, the same is true of paper hangers and all manner of builders. A number of handsome residences are under construction and several others are to start soon.

On Union Avenue, B. Middleton is constructing a new home. On Jackson Avenue, Hibbs Milsap is rushing a large bungalow. He tore down his old residence and in its place will rise in a few days a handsome, modern home. On Park Street, Joe Dillingham is converting the site of a burned dwelling into a beautiful modern home. There are numerous additions going on, among them is that of the new Baptist Pastor's home, formerly the O. M. Smith place. Here several new features are being added. New stacks of lumber can be seen in every part of town. Out in the country, just south of town the \$10,000 Collins home is nearing completion.

TWENTY YEARS AGO
(October 14, 1949)

Hamlin's fighting Pied Pipers, riding high in the western half of District 6-A, may see their record tumble Friday evening when they face Roscoe in the second conference game of the season.

The Pipers have managed to keep their goal line uncrossed in the first four games of the season. Hamlin is one of the few teams in the state that has not been scored on, sports writers in the daily papers have said.

The local squad is the only one in the western district that has not lost a game during the season. However the record reveals that four teams have not lost a conference contest.

The four with perfect district records are Merkel, Hamlin, Colorado City and Rotan.

The Pipers will go to Roscoe Friday evening to meet a team defeated only once in district play, and with three losses for the season. However, Coach Jesse Burditt pointed out this week, the Roscoe team is a powerful one and anything can happen.

In last week's district game with Roby, the Pipers took the long end of a 33 to 0 count.

The first touchdown came when Don Rowland scored on a pass from Joe Allen Dean. Joe Allen later carried the ball across for two more counters. Sugar Green took it over for one, and a pass from Rowland to Robert Fletcher accounted for the final.

Members of the Camp Fire Girls and Mrs. Ned Moore, their spon-

sor, visited the office of the Hamlin Herald last Thursday afternoon and were given a first hand demonstration on how a newspaper is made.

Before they came to the Herald, the girls conducted a business session, in which they selected a group name. "No we tom pat in min" an Indian phrase meaning "for we are friends."

The girls were taken to an ice cream parlor for refreshments by Mrs. J. B. Mason.

Those in the group were Sara Kay Fomby, Kay Meason, Retha Sanders, Renee Moore, Joy Fay Hames, Sandra Stuart, Betty Teague, Gwendolyn Brown and Mrs. Moore.

TEN YEARS AGO
(October 15, 1959)

Largest gathering of ex-students of Hamlin High School yet were visitors on the old home town last Friday and Saturday at the fifth annual homecoming, when between 400 and 500 former students of the school mingled with present students and old friends.

A crowd estimated at 2,500 attended the homecoming football game between Hamlin and Childress Friday night. About 600 were at the barbecue Saturday at noon at the beautiful new gymnasium.

Weldon Johnson was elected new president of the Ex-Student Association, sponsor of the annual homecoming. Other officers named were: Mrs. Thomas Ferguson, first vice president; Johnny Steele, second vice president; Mrs. Garland Preston, secretary; Mrs. Robert Fowler, assistant secretary; Mrs. John D. Ferguson, treasurer; Mrs. Kenneth Riddle, reporter. These names were presented by Mrs. Cliff Reynolds Sr. chairman of the nominating committee.

The homecoming got underway Friday afternoon with a parade in downtown Hamlin headed by the 50-piece Hamlin Pied Piper Band under the direction of Tim Jones.

Friday evening the Pied Piper-Childress Bobcat football game was the feature attraction. Between game halves Mrs. Brad Rowland, Sr. of Hamlin was crowned Homecoming Queen. Rebecca Ferguson, HHS senior, was also crowned High School Queen.

In business and program sessions Saturday morning Mrs. John Howard Sr. received the prize for the two exes who have been married the longest. Mrs. Valeta Crow Hartley was awarded the prize for traveling the longest distance to the homecoming. She lives at Escondido, California, 1,123 miles distant. Mrs. Henry Withers of Rotan won the \$50 in script at door prize and Lola Milstead, Hamlin teacher, was \$20 in script.

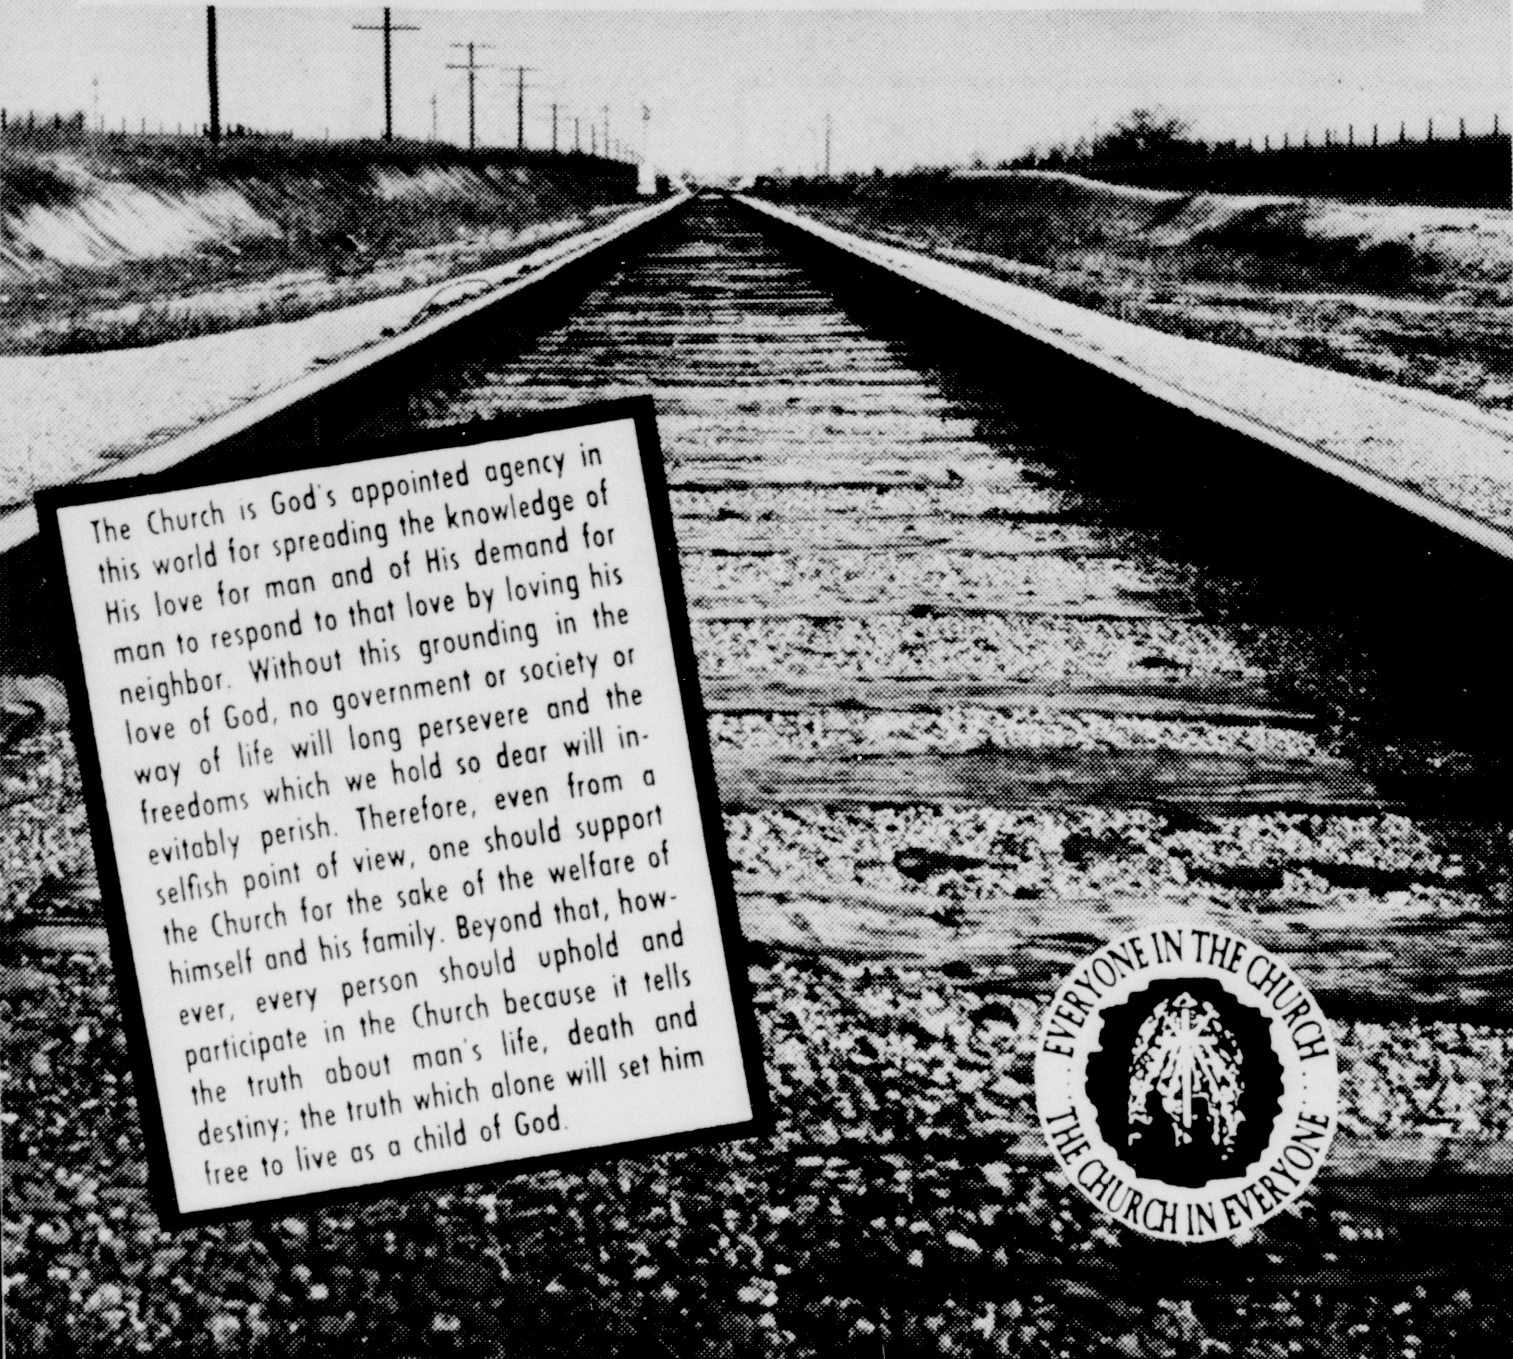

Bryan Shelburne, son of Mr. and Mrs. Lesley Shelburne of Hamlin, recently has been elected to serve on the disciplinary board of the Hardin Simmons University Cowboy Band.

Shelburne is serving in his first year as a member of the world famous organization. Classified as a freshman, he is working toward his bachelor of music degree with a major in music education.

Where to...?

Did you ever look down railroad tracks and wonder where they went... or put your ear to the track, listen to the hum, and try to guess when the train would reach you? These questions we may have asked when we were children, but as adults it is time to ask... Are we headed in the right direction? Are we prepared for things in the future regardless of when they will arrive? Choose now the path you will take. Let the church help guide you.

"Oh that my ways were directed to keep thy statutes!"

Neinda Philosopher Doubts Free Time for Political Speeches On Television Will Work Very Well

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One examines a new proposal to control campaign expenses in his letter this week.

Dear editor: According to an article I read in a newspaper which somebody left in a cafe in town and which I picked up and brought home with me to offset the high cost of a cup of coffee, running for office has become so expensive it's now out of hand, a man without any money and with no rich friends hasn't got a chance, and a bunch of Congressmen are proposing to do something about it.

According to them, it takes from 10 to 15 million dollars to run for President, win or

lose; at least a million to run for Senator, and from a million or down for Governor, depending on which state you're running in. Naturally a governor of say desert — swept Nevada wouldn't cost as much as governor of Texas. Most of the cost, they said, goes for television and they have come up with a proposal. Instead of candidates begging or borrowing from rich people and big corporations, with the best beggars or borrowers, or promisers and obligators, getting the most television time, the Federal government should buy up enough time for everybody and let them speak free, this group argues.

Furthermore, so the government won't be wasting its money, the speeches should

run on all networks and stations at the same time. No tuning out a political speech on one channel to see Gunsmoke on another. From watching tapes of their own speeches, most Congressmen know they couldn't compete with Festus Hagen, and a good many couldn't hold their own against a summer re-run.

Thus, the group argues, turn on your set and you'd have to listen to nothing but political speeches on a given night, and all candidates would thus have a fair shake.

I don't know whether this would improve democracy or not, but I know I'd ruin television.

Yours faithfully,
J. A.
